What is Takaful?

Takaful is a Shariah compliant way of safeguarding yourself and your family against future financial losses. A Takaful product assists participants to share their risk on the basis of cooperation, brotherhood, mutuality and solidarity for the common good.

How does the Takaful Membership operate?

EFU Life's takaful model is based on the Wakalah-Waqf principle.

Individuals in the community come together for a common purpose and contribute into a Waqf Fund operated by a Takaful Operator to protect themselves against future financial losses. The following pictorial representation summarizes how your Takaful membership will operate with EFU Life:

What are the Opportunities for Growth?

Your contributions to the Plan will be utilized to purchase units of the EFU Takaful Growth Fund. This is a unit linked fund comprising of Shariah compliant investments. The objective of the Fund is to maximize capital growth by investing in a portfolio spread across a wide range of investments such as Islamic mutual funds, approved equities, term deposits in Islamic Banks and Sukuk bonds. The fund is managed by in-house investment experts who adjust the mix of underlying investments in light of economic conditions and investment opportunities.

What is Surplus Sharing?

Takaful offers a unique feature of Surplus Sharing to the Participants in addition to risk mitigation benefits. By contributing Tabarru (donation) into the Participant's Takaful Fund (PTF), the participant may be entitled to a share of possible surplus funds. At the end of each year, EFU Life will determine the surplus in the PTF based on the method approved by the Shariah Advisor and Appointed Actuary.

What are the Benefits of Surplus Sharing?

A part of the surplus may be distributed back to the participant in the form of Bonus Units through additional unit allocation in the Participant's Investment Account (PIA). These Bonus Units will enhance the Cash Value of your Takaful plan.

What are the Takaful Benefits?

Death Benefit

In case of an unfortunate event of death during the Membership Term, the takaful benefit will be payable as follows:
 The Sum at Risk* from the Participant's Takaful Fund (PTF)
 +
 The Basic Cash Value of Participant's Investment Account (PIA)
 +
 The Cash Value from Fund Acceleration Contributions in the Participant's Investment Account.
 *(The Sum at Risk is equal to the Sum Covered less Basic Cash Value in PIA).

Maturity Benefit

At the end of the Membership Term and whilst the Participant is alive, the maturity benefit will be payable as follows:

The Basic Cash Value of the Participant's Investment Account (PIA)
 +
 The Cash Value from Fund Acceleration Contributions in the Participant's Investment Account (PIA).

Maturity Bonus

At the Maturity Date, extra units will be allocated as a percentage of the average of Regular Main Plan Contributions paid. These extra units will depend on the maturity year as illustrated below:

Maturity Year	Allocation as percentage of Contribution
10 - 14	10%
15 - 19	15%
20 - 24	20%
25	25%

How to cope with other Risks in Life?

The Plan also offers various supplementary benefits which may be attached to it in order to enhance the Takaful protection and to avoid other risks and hazards of life. These supplementary benefits are:

- Additional Term Takaful**
This benefit increases the level of Takaful cover by providing an additional amount in case of death of the participant.

- Takaful Family Income Benefit**
This benefit ensures that a monthly income is paid to the family of the participant, in case of an unfortunate event of his death.
- Takaful Accidental Death Benefit ***
This benefit provides an additional lump sum benefit on accidental death of the participant.
- Takaful Accidental Death and Disability Benefit/ Plus ***
In case of accidental death or disability of the Participant, this rider provides an additional lump sum benefit.
- Waiver of Contribution**
In case of disability of the Participant due to sickness or accident, this rider waives the Basic Takaful Plan contributions while keeping the membership in force for the remaining term.

*Note: Only one of the two accidental supplementary benefits may be selected

FAQ's

How to Apply?

Few easy Steps to get this Plan:

- Decide on the minimum annual contribution that would be paid by you.
- Select Protection Multiple as per your needs.
- Select the supplementary benefits to enhance the value of the Plan.

Who can apply?

- The participant should be between 18 and 65 years old. However, the maximum age at maturity cannot be more than 75 years
- The term of the Takaful contract can vary between 10 and 25 years
- Minimum Contribution is PKR 20,000 annually
- Minimum contribution for signature branches will be Rs.50,000

Protection Multiple

The Sum Covered is determined as the Basic Plan Annual Contribution multiplied by the "Protection Multiple" which may be selected from a range depending on the age at entry as illustrated below.

Age	Levels of Coverage based on Protection Multiple	
	Minimum	Maximum
18 – 35	5	75
36 – 40	5	50
41 – 49	5	35
50 – 60	5	10
61 – 65	5	70-age

How is Contribution allocated?

Year-wise allocation percentages of the participant's contribution are shown in the table below:

Year	Allocation as percentage of Contribution
Year 1	35%
Year 2	80%
Year 3	95%
Year 4 - 5	100%
Year 6-10	103%
Year 11-15	105%
Year 16-20	107%
Year 21 and onwards	110%

The above percentages are determined after deducting an "Allocation Fee" from the basic contribution. All subsequent charges are deducted from the above mentioned "Allocation Percentage" and the remainder will be allocated to the PIA.

Waqf Donation

Waqf Donation, which depends on the Takaful cover and age of the Participant, will be transferred from Basic Plan Contribution into Participant's Takaful Fund.

Fund Acceleration Contributions

In case the Participant has extra funds available, there is a flexibility to channel these to the Plan and provide a boost to the savings. These lump sum contributions are called Fund Acceleration Contributions (FAC) and can be paid anytime during the years where policy is active.

The minimum FAC amount is Rs. 20, 000 per payment.

What are the charges?

Following charges are applicable, on the basic Takaful Plan and are based on the principle of Wakalat-ul-Istismar:

- An Allocation Fee will be charged, after which the remaining part of the contribution is as per the percentages mentioned above.
- An Administration Charge of Rs.125 per month will be charged.
- Bid Offer Spread of 5% of net Allocable Contribution will be

charged.

- Investment Management Fee of 1.5% p.a. of the Fund Value will be applied.

How can I have access to my savings?

If your circumstances change and you have a need for cash, you can encash your Plan for the Total Cash Value in the PIA, at any time. Please remember that the value in the early years is likely to be low as the Plan is designed for long term financial planning needs.

Alternatively, you may just want a small proportion of the capital you have built up. This Plan gives you the facility to make partial withdrawals at any time whilst continuing to make contributions. This facility is subject to at least Rs.25,000 remaining as cash value after such withdrawals.

Are there any extra features in this plan?

PRIMUS is the first of its kind concept in the Life insurance Industry. Besides offering you a dedicated & personalized level of service, you will also benefit from a range of other value additions such as discounts on international & domestic air tickets, medical laboratories across Pakistan, online shopping, free executive medical check-up & other benefits.

All participants who pay the contribution of Rs 200,000 or more will be the PRIMUS Participants of EFU Life

Free Look Period

EFU Life offers a free look up period of 14 days during which you can review your policy terms and conditions and cancel the policy if needed. Please note that EFU Life reserves the right to deduct the expenses incurred on medical examination, if any.
