HEMAYAH
EFU FAMILY TAKAFUL

A Future To Look Forward To

EFU Life introduces its range of Family Takaful products under “Hemayah” - a dedicated Shariah Compliant Window Takaful brand. Hemayah is derived from its roots in Arabic and signifies the “protection” that is offered by EFU Life’s Family Takaful products to support you and your family’s future, at every step of your life.

Hemayah Takaful Pilgrimage Plan (for Hajj, Umrah and Ziarat)

The **Hemayah Takaful Pilgrimage Plan** is a Shariah-compliant unit-linked and waqf-based savings Plan, providing you with valuable takaful coverage as well as the opportunity to accumulate your savings for your Hajj, Umrah or Ziarat needs. It takes into account individuals who wish to carry out a pilgrimage and want to accumulate funds towards that purpose, along with life protection benefits. It also offers built in accidental cover which provides lump sum benefit on accidental death of participant during pilgrimage.

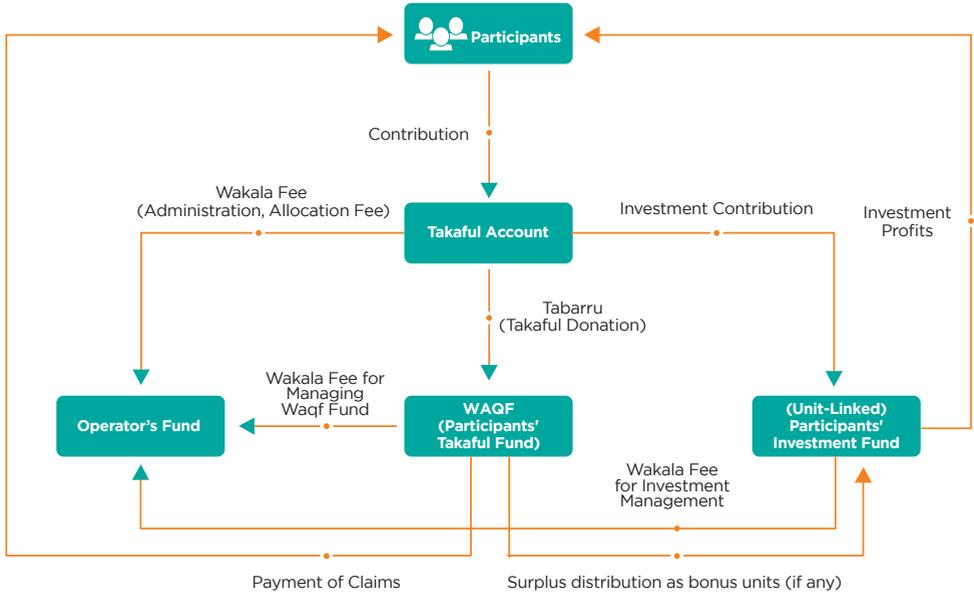

What is Takaful?

Takaful is a Shariah-compliant way of safeguarding yourself and your family against future financial losses. Individuals in the community unite for a common purpose and contribute to a Waqf fund operated by a Takaful operator to protect themselves against future financial losses. A Family Takaful Plan assists participants in sharing their risk on the basis of cooperation, brotherhood, mutuality, and solidarity for the common good.

How does the Takaful Membership operate?

Hemayah Takaful Pilgrimage Plan can be easily customised to suit your specific needs. You can decide on the level of takaful protection and investment which is in line with your long-term financial planning goals.

The following pictorial representation summarises how your takaful membership will operate with EFU Life:

Opportunity for growth – Shariah Compliant Investments

Your contributions in the Participant's Investment Account (PIA) will be utilised to purchase units of **EFU Takaful Growth Fund**. This is a unit-linked Participants' Investment Fund (PIF) comprising of Shariah-Compliant investments. The objective of the Fund is to maximize capital growth by investing in a portfolio spread across a wide range of investments such as Islamic mutual funds, approved equities, term deposits in Islamic Banks and Sukuk Bonds. The fund is managed by in-house investment experts who adjust the mix of underlying investments in light of economic conditions and investment opportunities.

Surplus Sharing – A unique feature of Takaful

Takaful offers unique features of surplus sharing to participants in addition to risk mitigation benefits. By contributing Tabarru (donation) to the Participants' Takaful Fund (PTF), the Participant may be entitled to a share of possible surplus funds. At the end of each year, EFU Life will determine the surplus in the PTF based on the method approved by the Shariah Advisor and Appointed Actuary.

A part of the surplus may be distributed back to you in the form of Bonus Units through additional unit allocation in your PIA. These Bonus Units will enhance the Cash Value of your takaful Plan.

Access to your savings – At any time

If you want to access your savings for the purpose of pilgrimage, you can encash your Plan for the total cash value in the PIA at any time. Please remember that the cash values during the early years will be low, as the Plan is designed for long-term financial needs.

Alternatively, you may just want a small portion of the capital you have built up; the Plan gives you the facility to make partial

withdrawals at any time whilst keeping the Plan in force.

Please note that this facility is subject to a minimum of PKR 20,000 remaining as Basic Cash Value after such withdrawals.
