

*Allocation charges will be deducted from the Paid Contribution every year as per the above table and the remainder will be allocated to the PIA.

Fund Acceleration Contribution (FAC):

In case the Participant has extra funds available, the plan provides the flexibility to channel these to the Plan and provide a boost to the savings. These lump sum contributions are called Fund Acceleration Contributions (FAC) and can be paid anytime during the year where membership is active. The minimum FAC payable is PKR 20,000 per payment. 100% of FAC payment is allocated to purchase units

Complete and Partial Surrender:

If your circumstances change and you have a need for cash, you can encash your Plan for the Total Cash Value in the membership, at any time. Please remember that the value in the early years is likely to be low as the Plan is designed for long term financial planning needs. Alternatively, you may just want a small proportion of the capital you have built up. This Plan gives you the facility to make partial withdrawals at any time whilst continuing to make contributions. This facility is subject to at least Rs. 25,000 remaining as cash value after such withdrawals. In case of partial surrender, minimum withdrawal amount should not less than Rs. 25,000. Minimum Partial withdrawal amount should not less than Rs. 20,000.

Indexation:

Under this option the regular contribution will increase every year by 5% of previous years contribution uptill age 55 years, with appropriate increase in benefit, without any medical evidence.

What is Takaful?

Takaful is a Shariah compliant way of safeguarding yourself and your family against future financial losses. A Takaful product assists participants to share their risk on the basis of cooperation, brotherhood, mutuality and solidarity for the common good.

How does the Takaful Membership operate?

EFU Life's Takaful model is founded on the Wakalah-Waqf principle. Individuals in the community come together for a common purpose and contribute into a Waqf Fund operated by a Takaful Operator to protect themselves against future financial losses. The following pictorial representation summarizes how your Takaful membership will operate with EFU Life - WTO:

What is Surplus Sharing?

Takaful offers a unique feature of Surplus Sharing to the Participants in addition to risk mitigation benefits. By contributing Tabarru (donation) into the Participant's Takaful Fund (PTF), the participant may be entitled to a share of possible surplus funds. At the end of each year, EFU Life –Window Takaful Operations will determine the surplus in the PTF based on the method approved by the Shariah Advisor and Appointed Actuary.

What are the benefits of Surplus Sharing?

A part of the surplus may be distributed back to the participant in the form of Bonus Units through additional unit allocation in the Participant's Investment Account (PIA). These Bonus Units will enhance the Cash Value of your Takaful plan.

Waqf Donation:

Waqf Donation, which depends on the Takaful cover and age of the Participant, will be transferred from Basic Plan Contribution into Participants Takaful Fund (PTF).

Benefits:

Continuation Benefit: In the unfortunate event of death prior to the maturity of the plan, you would want to make sure that the future plans for your children are still fulfilled. The Continuation Benefit which is built into the plan will ensure that all future contributions will be paid by the PTF

following the participant's death until the plan's maturity date. This means that the funds that you had planned for will still be available for your children.

Maturity Benefit: At the end of the membership term and whilst the participant is alive, the maturity benefit will be payable as follows:

- The Basic cash value of Participant's Investment Account (PIA) Plus
- The cash value from Fund Acceleration Contributions in the Participant's Investment Account.

Optional Benefits:

The Plan also offers various supplementary benefits which may be attached to it in order to enhance the Takaful protection. These supplementary benefits are:

• Takaful Accidental Death and Disability Benefit Plus:

This rider provides an additional lump sum benefit in case of an accidental death or disability (permanent & total) that makes you permanently disabled.

• Takaful Income Benefit:

This benefit ensure that a quarterly income is paid to the family in case of the unfortunate death of the Participant during the plan term.

• Pilgrimage Benefit

During the Plan term, if the Participant travels for religious pilgrimage, EFU Life - WTO offers coverage on death due to an accident while performing pilgrimage (Hajj, Umrah or Ziarat- religious journey etc.) The coverage under this accidental benefit will be 100% of the Main Plan Sum Covered, subject to a maximum limit of PKR 1,000,000. This feature will be applicable for an additional period of 13 months from the date of maturity or from the date of full surrender.

• Takaful Return of Contributions Benefit

The Return of contribution Benefit is a unique rider offered to prospective EFU Hemayah Takaful participants. This rider enhances your coverage by giving you an extra benefit. In an unforeseen event of death of the life covered, the beneficiary will not only receive the death benefit, but will also be able to receive the total amount of paid contribution as a benefit from the Waqf fund (PTF) excluding the contribution paid for the ROCB rider.

•Takaful Waiver of Contribution Benefit:

In case the participant is unable to follow his/her occupation due to disability because of sickness or accident, the contribution of the plan would be made by WAOF Fund/PTF managed by EFU Life – WTO.

Contribution Allocation:

Year-wise allocation percentages of the participant's contribution are shown in the table below:

Membership Year	Unit Allocation (%)	Allocation Charges*
Year 1	57.5%	42.5%
Year 2	80%	20%
Year 3	90%	10%
Year 4 to 5	100%	0%
